

COUNTY OF VENTURA EMERGENCY MEDICAL SERVICES		HEALTH CARE AGENCY POLICIES AND PROCEDURES	
Policy Title: Receiving and Stand-By Hospital Standards		Policy Number 420	
APPROVED Administration:  Steven L. Carroll, Paramedic		Date: August 8, 2024	
APPROVED Medical Director:  Daniel Shepherd, MD		Date: August 8, 2024	
Origination Date: April 1, 1984			
Date Revised: August 8, 2024		Effective Date: August 8, 2024	
Date Last Reviewed: August 8, 2024			
Review Date: August 31, 2027			

- I. PURPOSE: To define the criteria, which shall be met by an acute care hospital in Ventura County for Receiving Hospital (RH) designation.
- II. AUTHORITY: Health and Safety Code, Division 2.5, Sections 1798, 1798.101, 1798.105, 1798.2 and California Code of Regulations, Title 22, Section 100175.
- III. POLICY:
  - A. A RH, approved and designated by the Ventura County EMS Agency, shall:
    1. Be licensed by the State of California as an acute care hospital.
    2. Meet the requirements of the Health and Safety Code Sections 1250-1262 and Title 22, Sections 70411, 70413, 70415, 70417, 70419, 70649, 70651, 70653, 70655 and 70657 as applicable.
    3. Be accredited by a CMS accrediting agency.
    4. Operate an emergency department (ED) that is designated by the State Department of Health Services as a "Comprehensive Emergency Department," "Basic Emergency Department" or a "Standby Emergency Department."
    5. Have an intensive care service with adequate monitoring and therapeutic equipment
    6. Surgical services shall be immediately available for life-threatening situations.
    7. Have radiology and laboratory services as defined in Title 22, Section 7041
    8. Assess patients arriving by ambulance upon arrival.
    9. Attempt to offload patients from the ambulance gurney to the hospital gurney within twenty minutes.

10. Meet the statutory requirements for ambulance patient offload outlined in Health and Safety Code 1797.120.5-7
  11. Have the capability to communicate with the ambulances and the Base Hospital (BH).
  12. Maintain multiple forms of redundant communication, in the event a widespread disaster disables traditional methods.
    - a. Existing amateur radio sites established in each receiving facility will be maintained in coordination with local emergency management agency and amateur radio organizations
  13. Designate an ED Medical Director who shall be a physician on the hospital staff, licensed in the State of California and have experience in emergency medical care. The Medical Director shall:
    - a. Be regularly assigned to the ED.
    - b. Have knowledge of VCEMS policies and procedures.
    - c. Coordinate RH activities with BH, Prehospital Services Committee (PSC), and VCEMS policies and procedures.
    - d. Attend, or have designee attend, PSC meetings.
    - e. Provide ED staff education.
    - f. Schedule medical staffing for the ED on a 24-hour basis.
  14. Cooperate with and assist the PSC and EMS Medical Director in the collection of statistics for program evaluation.
  15. Agree to maintain all prehospital data in a manner consistent with hospital data requirements and provide that the data be integrated with the patient's chart. Prehospital data shall include the Ventura County Electronic Patient Care Report (VCePCR), Paramedic Base Hospital communication form (from the BH), and documentation of a BH telephone communication with the RH.
  16. Participate with the BH in evaluation of paramedics for reaccreditation.
  17. Permit the use of the hospital helipad as an emergency rendezvous point if a State-approved helipad is maintained on hospital premises.
- B. There shall be a written agreement between the RH and EMS indicating the commitment of hospital administration, medical staff, and emergency department staff to meet requirements for ALS program participation as specified by EMS policies and procedures.
- C. EMS shall review its agreement with each RH at least every two years.

- D. EMS may deny, suspend, or revoke the approval of a RH for failure to comply with any applicable policies, procedures, or regulations. Requests for review or appeal of such decisions shall be brought to the Board of Supervisors for appropriate action.
- E. The EMS Medical Director may grant an exception to a portion of this policy upon substantiation of need by the PSC that, as defined in the regulations, compliance with the regulation would not be in the best interests of the persons served within the affected local area.
- F. A hospital that applies to become a RH in Ventura County must meet Ventura County RH Criteria and agree to comply with Ventura County regulation.
  - 1. Application:  
Eligible hospital shall submit a written request for RH approval to the VCEMS, documenting the compliance of the hospital with the Ventura County RH.
  - 2. Approval:  
Program approval or denial shall be made in writing by EMS to the requesting RH within a reasonable period of time after receipt of the request for approval and all required documentation. This period shall not exceed three (3) months.
- G. ALS RHs shall be reviewed every two years.
  - 1. All RH shall receive notification of evaluation from the EMS.
  - 2. All RH shall respond in writing regarding program compliance.
  - 3. On-site visits for evaluative purposes may occur.
  - 4. Any RH shall notify the EMS by telephone, followed by a letter within 48 hours of changes in program compliance or performance.
- H. Paramedics providing care for emergency patients with potentially serious medical conditions and are within the catchment area of a hospital with a standby emergency department, shall make immediate base contact for destination determination. Examples of these patients would include, but are not limited to, patients with:
  - 1. Patients with seizure of new onset, multiple seizures within a 24-hour period, or sustained alteration in level of consciousness
  - 2. Chest pain or discomfort of known or suspected cardiac origin
  - 3. Sustained respiratory distress not responsive to field treatment
  - 4. Suspected pulmonary edema not responsive to field treatment
  - 5. Potentially significant cardiac arrhythmias
  - 6. Orthopedic emergencies having open fractures, or alterations of distal neurovascular status

7. Suspected spinal cord injury of new onset
  8. Burns greater than 10% body surface area
  9. Drowning or suspected barotrauma with any history of loss of consciousness, unstable vital signs, or respiratory problems
  10. Criteria that meet stroke, LVO, STEMI, or trauma criteria for transport to a specialty care hospital
- I. A RH with a standby emergency department only, offering “standby emergency medical service,” is considered to be an alternative receiving facility. Patients may be transported to a standby emergency department when the use of the facility is in the best interest of patient care. Standby Emergency Departments shall be staffed and provide services in accordance with Title 22 section 70653.
1. Patients that require emergent stabilization at an emergency department may be transported to a standby emergency department if a basic emergency facility is not within a reasonable distance. These would include patients:
    - a. In cardiac arrest with NO return of spontaneous circulation (ROSC) in the field
    - b. With bleeding that cannot be controlled
    - c. Without an effective airway
  2. During hours of peak traffic, the Base Hospital MICN should make destination determinations based on predicted travel time and patient condition. Patients who meet criteria for trauma, stroke, LVO, or STEMI in the absence of a condition that meets I.1. above, will be directed to the appropriate destination.
  3. A RH with a standby emergency department shall report to Ventura County EMS Agency any change in status regarding its ability to provide care for emergency patients.
